

DESIGN

SPORTY ELEGANCE MEETS PRACTICAL DESIGN

VIOLIN-STYLE CURTAIN TAIL LIGHTS

Inspired by the lines of a violin, the taillights drape elegantly to provide improved illumination and a safer drive.

DYNAMIC, SPORTY LINES CREATE A DISTINCTLY FUTURISTIC DESIGN.

And that's just the exterior. Step in to experience the luxurious interiors that combine high-end finishes with ultra-spacious comfort.

FULL LED HEADLIGHTS DRL (Daylight Running Lamps)

The car's sporty handsome looks are enhanced by stylish square LED headlamps that give it a premium vibe.

INNER CUT SWALLOWTAIL

The tail of the car is cut inwards and connects smoothly to the C-pillar pulling the sleek lines back to create a sporty look.

FLEXIBLE SPACE

The flexible rear space incorporates adjustable fold flat seats with split/fold giving the RX5 huge boot space expandable to massive capacity with the seats folded down.

SPACE

INCREDIBLY SPACIOUS

Thanks to its 2700mm wheelbase, the RX5 offers best-in-its-class rear leg room (982mm) and head space (987mm).

FIRST LAYER CALFSKIN PUNCH SEAT

Seat cushions and backrests have anti-arc surface design, which is more in line with man-machine and enhances comfort, with a sincere and ingenious look.

8" TOUCHSCREEN CONSOLE

Its responsive swipe functionality gives you access to navigation, Apple CarPlay, Bluetooth and multimedia infotainment.

STORAGE EVERYWHERE

In addition to the large boot area there are multiple storage spaces throughout the cabin for bottles, mobiles and cups.

METICULOUSLY DESIGNED TO PAMPER YOUR SENSES

Soft-touch surfaces cover 80% of the interior and feature real stitching on the dash and door panels. Creating a luxuriously plush cabin that enhances the driving experience.

PANORAMIC SUNROOF

A supersize, anti-clamp, panoramic sunroof floods the interior with light, accentuating the best-in-class space that it offers.

INTELLIGENT HATCH

Another practical technology incorporated in the car design is the anti-clamp hatch that comes with a remote, one-touch opening control.

INTELLIGENT 4-WHEEL DRIVE

A smart All Wheel Drive system with a McPherson front suspension and a multi-link rear suspension guarantees impressive performance.

PROFESSIONAL SUV SIZE LAYOUT

Consider the possibility and ease of getting on and off while providing a high sitting position

POWER

2 ENGINE VARIANTS, POWER-PACKED PERFORMANCE

Power is derived from a choice of two turbocharged engines. The 6-speed, dual-clutch 2.0T engine has 221hp, a torque of 350Nm and can accelerate from 0 to 100 in 8.2s. While the 7-speed oil-cooled, dual clutch 1.5T engine packs in 169hp and 250 Nm. All with exceptional fuel economy at 6.8L per 100km.*

Central Differential
Power distribution automatically

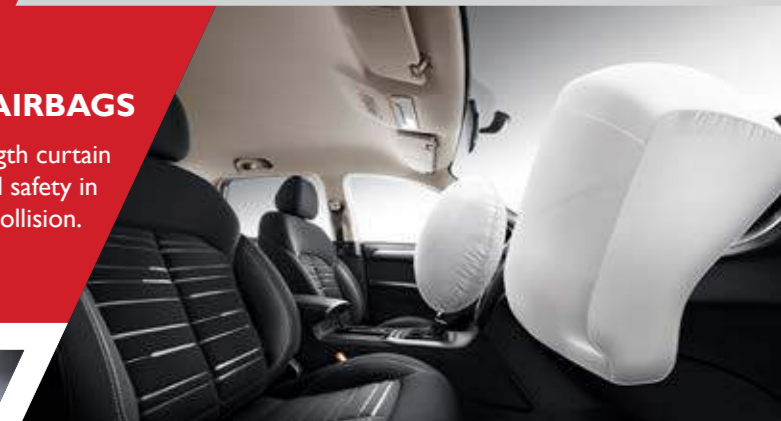

SAFETY

Great performance isn't compromised when it comes to safety. Packed with a wide range of passive and active safety measures, the RX5 comes with a 5-star rating in the C-NCAP crash tests and complete peace of mind.

6 AIRBAGS

Multiple airbags, including full-length curtain airbags, ensure utmost protection and safety in case of a collision.

ULTRA HIGH-STRENGTH STEEL CAGE

The strengthened body structure uses thermal formed steel that is lightweight without compromising rigidity and structure.

REVERSE PARKING CAMERA

The large screen central display shows real-time road conditions at a glance so you can avoid collisions with ease.

100-0 KM BREAKING DISTANCE, THE MG RX5 IS 2 METRES SHORTER THAN THE COMPETITION

SMART BRAKE SYSTEM

The efficient braking system reduces stopping distances by two metres in comparison to key rivals, while standard ESP with traction control, a curving braking control system and MSR (Motor-control Slide Retainer) all contribute to a safer journey.
